## Employment History

---

### Stadium, Chicago, IL

#### **POST-PRODUCTION PRODUCER AND VIDEO EDITOR**

2014-July 2019

Edit and create motion graphics for sports related content. Stadium knew they could count on me for any type of project, whether long form interview or quick graphic intro. I was referred to as the “swiss army knife” editor by my colleagues and superiors. I was relied on for knocking projects out of the park.

### Harpo Studios, Chicago, IL

#### **VIDEO EDITOR**

2012-2014

Edited television shows aired on OWN: Oprah Winfrey Network. Part of a prestigious team of professionals that worked for Oprah. One of few editors to be put in charge of the post-production of an entire series without producer supervision. This includes story development and post-production producing.

### McDonald's Corp., Kurtis Productions, Towers Productions and many more.

#### **FREELANCE VIDEO EDITOR**

2007-2012

I enjoyed a successful career as a freelance editor. Edited promotional videos for McDonald's. Edited documentary and reality television shows that aired on popular networks such as the Discovery and History Channels. Became known and repeatedly hired by these prestigious companies due to my creativity, hard work and ability to deliver superior final products.

### Answers Media, Chicago, IL

#### **SENIOR EDITOR**

2005-2007

Post-Production Producer and Senior Editor for informative how-to videos regularly aired on-line in the fields of food and health. As the sole editor, I helped a small startup move into a large facility where I lead a team of new editors.

### Del Hall Video, Chicago, IL

#### **VIDEO EDITOR**

2000-2005

Edited commercials for Ford through the advertising agency J. Walter Thompson. Edited corporate videos for various companies around the Chicago area including the Chicago Park District. Started as an assistant editor and quickly moved up the ranks to editor.
